### PRODUCT DESCRIPTION

The Keencut Sabre Series 2 General Purpose Cutter is designed to cut paper and foam core straight, square and clean edged. Superbly styled, the innovative hinge and lift arm mechanism makes it possible to cut materials which are longer than the length of the cutter. The extruded and silver anodized aluminum base of the GBC cutter incorporates a narrow groove to accept the blade tip when cutting. A full length silicon rubber grip strip mounted in the surface of the base and two more on the underside of the cutter bar ensures all work is held perfectly in place while cutting, and provides protection for even the most sensitive surfaces.

### PRODUCT SPECIFICATION

Max. Cut Thickness	N/A in.
Max. Paper Cutting Length	100 in.

### PRODUCT FEATURES

### DIMENSIONS

Weight:	95.00 lbs.
Width:	104.00 inches
Length:	4.25 inches
