PRODUCT DESCRIPTION

The MBM Kutrimmer 2035 paper trimmer has an automatic paper clamp system that holds the paper securely in place while cutting. The transparent blade guard allows the user to view the cutting line. It accepts lengths up to 13.75 inches and can cut up to 30 sheets of paper at a time. The unique blade guard is integrated with the paper clamping system, giving users a clear look at the cutting edge and paper alignment. The MBM Kutrimmer 2035 paper cutter is design for maximum operator safety, the transparent safety guards are made of unbreakable Lexan plastic.
