PRODUCT DESCRIPTION

Dahle 565 15 1 2 Safety First Guillotine Paper Cutter Guillotine cutters make easy work of slicing through multiple sheets of paper at a time. The Guillotine blade will not fly up or drop down unexpectedly, utilizing a steadfast finger guard to prevent injury. The Dahle 565 Premium Guillotine Cutter is designed for heavy duty applications where precision and safety are of the essence. This cutter features a massive ground blade made of Solingen steel, with an innovative safety shield that provides continuous user protection throughout the cutting process. This trimmer will cut through matboard and stacks of paper up to 35 sheets thick.
