PRODUCT DESCRIPTION

The Triumph 4215 Semi Automatic Paper Cutting Machine is an all metal constructed Paper Trimmer with a Solingen Steel Blade, and Solid Steel Blade Carrier. It has Adjustable Blade cutting guides to make the operator's job easier. Ease of use was a consideration in the designing of this Triumph 4215 Paper Trimmer so it has an Automatic Electric Blade Drive, and a Patented Lever Activated Fast Action Clamp which makes any Paper Trimming Job seem simple and quick to complete. The Side Guides Complete with Measuring Scales are featured on this Triumph 4215 Paper Cutter to make each Paper Trimming job effortless. The Spindle Guided Back Gauge with a Calibrated Crank as well as The Digital Display with Bright LED Optical Cutting Line Makes for Precise Back Gauge Positioning. With Safety in Mind, The Triumph 4215 is equipped with SCS Safety Cutting Systems which includes Hinged Transparent Electronically Controlled Safety Guards on the front of the Table which lock automatically while cutting, a Transparent Cover on the rear of the Table, and Main Safety Lock with a Key, Electronically Controlled Two Handed operation; 24 volt Controls low Voltage ; Pantented Ideal Safety Drive ; Automatic Blade Return From Any Position; Disc Brake for instant Blade Stop from any Position . Changing the Blade is a cinch on this Paper Trimmer. You can change the Blade from the front without removing the machine covers, and this can be done safely with the Blade Changing Device that covers the cutting edge of the Blade. The Blade Depth is adjustable from outside of the Paper Cutter as is the Cutting Stick which can be turned or changed also while on the outside of the Paper Cutter. This Triumph 4215 Manual Paper Cutting Machine comes with an optional Stand and is UL and C UL approved.
