PRODUCT DESCRIPTION

The MBM Triumph 4705 Manual Paper Cutter is an all metal Constructed Paper Trimming Machine with a Solingen Steel Blade, and a Solid Steel Blade Carrier with Adjustable Blade Guides. Ease of use was considered when designing the Triumph 4705 Manual Paper Cutter so it has an Extra Large Cut Lever which requires minimal effort. With a Spindle Clamping System, even pressure is applied along the entire cutting width of this Paper Cutting Machine. The Triumph 4705 Paper Trimmer has a Spindle Guided Back Gauge with a Calibrated Crank and Precision Back Gauge Measuring Scale on the Front Table so to complete any Paper Trimming Job with ease. With Safety in mind the Triumph 4705 Manual Paper Trimmer features SCS Safety Cutting Systems which include Hinged Transparent Safety Guards on the front of the Table which lock automatically while cutting, a Transparent Cover on the rear of the Table, and a Safety Catch which locks the Blade Lever in the Up position. Changing the Blade is a cinch on this Paper Trimmer. You can change the Blade from the front without removing the machine covers, and this can be done safely with the Blade Changing Device that covers the cutting edge of the Blade. The Blade Depth is adjustable from outside of the Paper Cutter as is the Cutting Stick which can be turned or changed also while on the outside of the Paper Cutter. This Triumph 4705 Manual Paper Cutting Machine comes with an optional Stand and is UL and C UL approved.
