PRODUCT DESCRIPTION

Kutrimmer 1046 18 Inch TableTop Paper Trimmer MBM Kutrimmer Paper Cutters are some of the highest quality cutters on the market. These cutters are engineered and manufactured in Germany to exacting standards. MBM Kutrimmer Cutters utilize solid, all metal construction and the highest grade Solingen steel blades that can be sharpened if they ever become dull. MBM Kutrimmer also use transparent Lexan blade guards and automatic blade covers to provide the highest level of safety available from a desktop cutter. MBM s Kutrimmer 1046 Paper Cutter is a heavy duty table top paper trimmer that has an 30 sheet capacity and a 18 cutting length. The overall table size for the 1046 is 20 x 14 . The Kutrimmer 1046 has an independent automatic clamp, lockable back gauge, precision side guides, all metal construction and a clear safety guard to protect the operator by covering the blade in any position. Manufactured in Germany by MBM s parent company, IDEAL, Kutrimmer paper trimmers are built to the same exacting tolerances as Triumph cutters. All Kutrimmers utilize solid, all metal construction and the highest grade Solingen steel blades. Advanced features such as transparent Lexan blade guards and automatic blade covers ensure the safety of the operator. All MBM Kutrimmer cutters have Solingen steel blades that may be removed and resharpened.
