PRODUCT DESCRIPTION

Dahle 556 37 1 2 Professional Rotary Trimmer
Dahle Rolling Trimmers are the new generation of paper cutters. Designed for safety and accuracy, their cutting blades are encased in a plastic housing that virtually eliminates the chance of personal injury. The rotary action of these trimmers allows their blades to cut in either direction and to sharpen themselves as they cut. Its this self sharpening action that produces a clean burr free cut and guarantees many years of smooth, precise cutting. Other features include an automatic paper clamp that holds work securely, adjustable backstop, and a metal base with preprinted grid lines.
FEATURES Replaceable, self sharpening, ground circular blade enclosed in plastic housing, cuts in both directions. Automatic clamp and adjustable back stop. Can be wall mounted optional paper roll holder available. Optional floor stand available. Dimensions L x W x H 45 1 2 x 14 1 8 x 6 Product Weight 19 lbs Dimensional Shipping Weight 30 lbs Add Shipping Handling
