PRODUCT DESCRIPTION

The Neolt PT105 manual rolling blade paper trimmer cuts paper up to 41 long and stacks of paper up to 12 sheets thick. The transparent clamp strip holds material firmly and automatically lifts when the cutting head has made a complete pass. The self sharpening, hardened steel rolling blades matched with stainless steel flat blades provide reliable, crisp cutting. Its uniquely designed end frames permit cutting materials longer than the trimmer itself. Comes with one adjustable reference guide, stand, and waste catching basket.
