PRODUCT DESCRIPTION

Neolt 71 Inch Heavy Duty Manual Rotary Trimmer with stand ST180 The Neolt ST180 manual rolling blade paper trimmer cuts paper up to 71 Inches long and stacks of paper up to 32 sheets thick. It comes with two adjustable reference guides to make precise cuts. The transparent clamp strip holds material firmly and automatically lifts when the cutting head has made a complete pass. The self sharpening, hardened steel rolling blades on this paper cutter matched with stainless steel flat blades provide reliable, crisp cutting. Comes with two adjustable reference guides, stand, and waste catching basket. Heavy duty, manual paper cutter features reinforced cutter head mounted on rectangular chrome plated guide rail. Design of trimmer permits horizontal output of trim edge for hand pickup or receiving table for delivery. Unit is shipped with two adjustable reference guides. Includes Stand, Fixing Bar and Containment Brackets. Manual Rolling Blade Trimmers Designed for a variety of trimming applications, all Neolt Manual Rolling Blade Trimmers feature self sharpening, hardened steel rolling blades matched with stainless steel flat blades. Rolling blades are mounted on a ball bearing transport system that is in turn mounted on a chrome plated guide rail. The result is a trimming system that gives a smooth, clean cut on a wide variety of materials. A transparent clamp strip holds material firmly and automatically lifts when cutting head has completed a pass. Metal baseboards are calibrated in both inch and metric equivalents. All models are supplied with stand and convenient waste catching basket. Height of working surface is 34.25 inches.
