PRODUCT DESCRIPTION

Electric Paper Cutter with a Cutting Length of 17.7 inches and a Cabinet Included This Paper Cutter is a great value in automatic Paper Cutters. ERC Electric Paper Cutters are designed and built for performance, efficiency, and to give our customers an excellent return of investment while factoring in their budget considerations. The ERC 450E Electric Paper Cutter with a Cutting Width Length of 17.7 inches cuts a stack of paper up to 1.57 inches high This is roughly the equivalent of 350 sheets of 20 pound bond paper. in a one automatic stroke. The manual easily adjustable Backstop advances precisely and smoothly, can be locked in position, and allows the user to take advantage of the full cutting surface. There are two screws to make adjustments one for larger adjustments, and one for smaller micro adjustments. Full blade to Backstop depth is 16 inches. Cutting blade and electric paper clamp configuration allows for a narrow cut of 1 3 8 inches. The work surface on the ERC 450E electric paper cutter is a very usable 28 X 26 inches. Blade activation requires operation with two hands, a designed in and built in Safety Feature. A floor cabinet with storage is included. Extra blade is 139.00 Cutting Sticks are 6.00

PRODUCT SPECIFICATION

Blade to backstop	16 in.
Max. Paper Cutting Height	1.57 in.
Max. Paper Cutting Length	17.7 in.
Max. Paper Cutting Width	17.7 in.
Voltage	240 Single Phase volts

DIMENSIONS

Weight:	192.00 lbs.
Width:	22.50 inches
Length:	27.90 inches
Height:	23.00 inches
