PRODUCT DESCRIPTION

QCM 1700E Desktop Stack Paper Cutter The QCM 1700E Desktop Stack Paper Cutter is designed and manufactured by Quality Commercial Machines Corporation QCM Corp . This Paper Cutting Machine is heavy duty, durable, and precise with a Cutting Length of up to 17 1 4 Inches and up to 360 Sheets of 20 lb. bond paper. This Cutter is equipped with a solid steel blade assembly and a hardened steel blade that cuts a thick stack of paper with a single easy stroke. It comes with an all steel Positive Clamp, a precise Side Gauge with measurement scales, and an adjustable aluminum alloy Back Gauge for precision cuts. It also has a Safety Latch that locks the cutting blade automatically until released. With a galvanized heavy duty all steel base and an anodized solid aluminum clamp wheel, the QCM 1700E is built to last. This Manual Paper Cutter cuts any type of book, card stock, copier, printing, photo papers, rubber pads, leather materials, and fabrics. It is ideal for schools, churches, business, photo shops, and print shops. FEATURES Portable and compact size with a Cutting Capacity of up to 360 sheets of 20 lb. bond paper.
