### PRODUCT DESCRIPTION

Martin Yale Intimus Powerline 18 Manual Ream Cutter 620RC The Intimus Powerline 18 Manual Ream Cutter is capable of cutting sheets up to 18 in length or depth. The Intimus 620RC can handle a stack of paper that are up to 3.14 in thickness 800 sheets of 20lb paper . However, more importantly, the 620RC has a precise manual back gauge that is solid and square making it easy to get exact and precise cuts every time. Plus, the Powerline 620RC also has a manual paper clamp to hold the sheets in place during cutting in order to prevent shifting or tearing during cutting. All of these things make the Powerline 620RC an ideal choice for quick printers, copy shops, in plant print shops, and on demand applications. FEATURES Manual paper clamp allows for additional stack pressure. Precise hand crank back gauge. Standard English and metric rulers for accuracy. Battery operated cutting light. Legs adjust up to 11 2 to facilitate leveling. 18.7 of cutting length behind the blade. Easy to assemble metal stand. The cover insures safety by preventing the blade from lowering when it is in the open position. Dimensions .... 30 x 31 1 2 x 30 Weight .... 250 lbs.
