PRODUCT DESCRIPTION

Hedman Co. Desktop Paper Folder HF 400 The HF 400 Desktop Paper Folder offers versatile fold selections including single, letter, zig zag and fold out. The Hedman HF 400 Paper Folding Machine is extremely quiet during all operations. The Anti static Strip on the Hedman HF 400 Paper Folder is a must for high static environments. Carbonless paper users need this feature. The Hedman Co. HF 400 Paper Folding Machine is virtually maintenance free and this Paper Folder, folds up to 15000 sheets per hour. User Friendly Features Self setting stacking roller for standard folds. Also, adjustable for customs. Split table allows the user to remove only the top half of the fold table for maintenance. This is easier, lighter and also has no power cables to connect Both fold tables bottoms are also mounted in a V pattern so the operator can easily see and set both fold tables. Removable top roller for easy maintenance. Removable feed tires and separator 14 guage steel chassis for an extremely strong and square machine Easy macro and micro paper stop adjustments Half fold setting a snap Easy skew and paper separator adjustments Insulated for noise reduction Extended conveyor
