SALES PRICE :	<b>\$419.99</b>

### PRODUCT DESCRIPTION

The Keencut Classic rotary cutter is a machine which combines superior performance, construction and durability for those users who are more comfortable with the familiar operation of traditional overhead rail rotary trimmers.

### PRODUCT FEATURES

All parts and components are CNC machined to ensure repeat accuracy cut after cut. All-aluminum 15 in. deep base won't crack during shipping or wear out over time. Full length metal end castings secured at 3 points on each side won't come loose. Weight: 30 lbs
